Subject	EU Commission publishes list of non-cooperative tax jurisdictions

On December 5th, 2017 European Commission published the first EU list of non-cooperative tax jurisdictions. The list has been agreed by the Finance Ministers of EU Member States during their regular meeting on December 5th, 2017 in Brussels.

The new list is part of the EU's work to clamp down on tax evasion and avoidance. It will help the EU to deal more robustly with external threats to Member States' tax bases and to tackle third countries that consistently refuse to play fair on tax matters.
